

END OF TERM AND DUFFY ASSEMBLY

An end of term school assembly will be held tomorrow, Tuesday 19 September, at 9.30am under the sunshade (weather permitting). This assembly will include a visit from a Duffy Books in Homes role model Stella Moana Schmid. Parents are very welcome to attend the assembly. Following the assembly students will receive their Duffy books to take home.

TOUGH GUY, TOUGH GAL

We had 4 tough gals and 4 tough guys enter the mud run in Pukekohe last week. These students had been training for two terms for this event. Whaea Anet said the team was the fittest we have ever had. Their fitness was evident by how

well they finished. Fast and with lots of energy. Eljay and Trinity both won spot prizes.

Some comments the students made were:

It was so muddy I got stuck.

There was a big mud puddle that I went for a swim in.

It was cold but the showers were warm.

I went down the mud slide and bumped into someone. Then I got mud on my face.

It was so muddy, it was funny!

CONCERNS OR COMPLAINTS

Parents are reminded that if you have a concern or complaint regarding your child, another student or any issue that has happened at school this needs to be addressed with a staff member. Your first point of contact should be your child's classroom teacher. The Leader of Learning for your child's roopu, one of the Deputy Principals or the Principal are also options to discuss issues of concern.

Sometimes a matter of concern is able to be resolved at the time it is first raised. Sometimes school personnel may need to investigate the issue further by talking to students and/or other staff members. This will be done as quickly as possible and feedback provided to you about what was found out and what has been done as a result of the investigation.

Under no circumstances is it acceptable for parents to take matters into their own hands and approach students directly. Please help us ensure our school is a safe environment by reporting matters of concern appropriately.

WHĀNAU REWARD - PLAYGROUND FUN AT HAYMAN PARK

We have four whānau groups at Wiri Central School: **HOKIANGA, KAIPARA, MANUKAU and WAITEMATA**. Whānau tokens and class points build towards a winning whānau reward. Students earn tokens for demonstrating the school values of **kotahitanga, manaakitanga, whanaungatanga and rangatiratanga**. Whānau rewards are held twice each term, in the middle and at the end of each term. The whānau with the most points at these times attends the afternoon reward session. Our next whānau reward is scheduled for this Thursday, 21 September. The winning whānau will be announced at our school assembly tomorrow morning.

The reward this time is a visit to the playground at Hayman Park, Manukau. Students who are in the winning whānau will travel by bus to and from Hayman Park on Thursday afternoon. If your child is in the winning whānau they will bring home an individual notice and permission slip tomorrow. Please sign it and return it to school.

Term 3 finishes this Friday, 22 September. Term 4 starts Monday 9 October
